PIPIO
PRIMARY SCHOOL

Tēnā Koutou,

We celebrated our Ki o Rahi team this week after they won the year 5/6 Ki o Rahi competition at Piopio College last Friday. We would like to thank Piopio College for hosting this event. Our tamariki had an awesome time. Thank you again to Miss Stokes for her organising and coaching the team. The new 'rips' the team won will be put to good use.

On Wednesday, the year 5/6 girls rippa team who won the Te Kūiti tournament last term, travelled to Taupō to compete in the King Country Rugby Union Rippa Tournament. Last year they came second. This year the team won!

Thank you to Jacob Hiriaki for your coaching and Kurt Houghton for managing the team. Thank you also to all the parents who travelled to Taupō with the girls to support them and cheer them on. I know I was at school waiting for updates.

Also on Wednesday I attended Piopio College's senior prizegiving. I want to congratulate all the students who received awards. I know we had several proud Piopio Primary teachers whose own tamariki received a number of awards and honours.

Today has been a very busy day as the tamariki complete their entries for the indoor competition. They have created some amazing items. Thank you to the parents who came along to help and to the amazing staff who spend hours organising crafts, displays and always go the extra mile to help make pet day such a special day for Piopio.

Today was also the National Shakeout. This is a nationwide event where participants do an earthquake drill. This happens at 9:30 am across the country. It definitely puts a halt to pet day preparation as everyone gets under a table for a minute. Each term we have an emergency drill as part of our Health & Safety policy.

I look forward to seeing you all at pet day tomorrow. It looks like the weather is going to be fine.
