GUIDELINES FOR FUNDING

The following guidelines will assist you with your funding application.

Please read carefully.

- Funding will be available for individuals and organizations within the Piopio district including the following areas: Mairoa, Mangaotaki, Mahoenui, Aria, Mokauiti, Mapiu, Kopaki, Benneydale, Oparure and Rangitoto. The Te Kuiti Borough is excluded.
- The trustees have absolute discretion to decide the allocation of funding within the terms of the trust which encompass social, cultural, educational, and recreational activities.
- Trustees generally receive more applications than there are funds available, and each application is considered on its merits.
- Funds will not be available for maintenance-type activities or minor projects which could be more appropriately met from the general funds of the organization.
- Organisations will be encouraged to submit applications for Capital type items which would give benefit to a greater number of participants.
- The Trustees believe applicants should demonstrate their commitment to the project by providing evidence of a substantial contribution toward the project. This contribution can be by way of monies, labour or assistance in “kind”.
- Funding will generally be available to those applicant organizations where the project can be completed within the financial year of the allocation.
- If the funds are not uplifted within the financial period of the allocations, then the amount allocated will cease to be available to the applicant organization and will be reinvested to the capital fund.
- Applicant organizations which have been allocated funding will be required to provide evidence that the above appropriate criteria has been met prior to the funds being made available.
- Individual applications for educational assistance will require evidence of scholastic achievement and course to be studied at Technical Institute or University.
