PET DAY EVALUATION

Pet Day is one activity that brings most of our parents to school and many grandparents and other community members as well.

We need your feedback so that we can include it in our planning for next year's event. Every year we make changes and some work and some don't. We are always trying to add new ideas so PLEASE send them in!

What works well?

What would you like done differently? Ideas for 2025?

How did you feel about the judging? Indoor? Outdoor? Points? Trophies? Judges?

What about the organisation of the day?

Is the lead up to Pet Day easy? Are the reminders useful? Is the information clear and easy to follow? Timing?

Are all students catered for adequately? Is it fair?

How can we encourage more children to rear calves, lambs or goats?

How do you feel about the "Other Animal" category?

How did you feel about the Rural Relay? Best Dressed Animal event?

Other comments.....

Feedback can be e-mailed to office@aria.school.nz or written on this sheet and sent back with your child or phoned in or given verbally to a staff member.

We would like to assume that no feedback is a positive response however this is not always the case.

Thank-you very much!
Pam
