Tēnā Koutou,

This week we have been celebrating the success of our Girls Ripa team that competed in the Waikato Rugby Ripa tournament in Hamilton on Tuesday. The team won all 4 of their games and had only 2 tries scored against them. **What an amazing effort!** Thank you to Jacob Hiriaki for coaching, Nicola Mahoney for managing and the parents who provided transport and support on the sideline.

On Wednesday we sent an email to all our families to let you know that we have changed our mobile phone and we have had some problems as we transferred to the new one. If you are sending a message from an iPhone please **do not** use iMessage simply text. If you do not receive a reply to your message please ring. It is important that we get messages, especially when the message is to change how tamariki are getting home. Our priority is to keep everyone safe.

Last week I attended the opening of the time capsule in Te Kūiti. It was lovely to see so many people at the statue watching the capsule being brought out. Then at the Les Munro Centre where all the packages were given out. There were many envelopes for families, including some of ours. Many organisations also had packages in the capsule. It was interesting to hear the background of why the shearing statue was created. It was to remember all the shearers in the area, of which there have been many over the years.

There are many bugs and viruses impacting our tamariki, staff and whānau at the moment. When tamariki are sick it is important for them to stay at home until they are completely well. This includes when they have been vomiting. We ask that tamariki do not return to school until they have been symptom free for 48 hours. This limits the spread of bugs through the school.

Finally, have a great King's Birthday weekend and I hope the tamariki enjoy the extra day off with our Teacher Only Day on Tuesday. We look forward to seeing all our happy tamariki back to school on Wednesday the 5th of June.

Ngā mihi nui

ROOM FOUR

This week, Room 4 has been learning all about money! We have been learning how to count and sort with different amounts. Then we learned about germs, washing our hands, and growing our own mould to test our handwashing skills. We have also been learning about using a ruler to measure different things in the classroom. Next week we look forward to watching our mould grow, calligraphy and learning to read gauges. Thank you to the parents who have sent in photos of rain gauges and tractor dashboards. It's great to have learning material that the tamariki can relate to in the real world.

SPORTS RESULTS

Rugby:
Corvettes
Quinn Morgan
Was the
player of the day

Hockey:
PP Red played Aria
and lost 6 - 0
Jane Patterson was
the player of the
day

Netball:
Katie Blake, Poppy Edwards &
Zara-Lee Walker
Player of the days for PP Tigers

Hockey
Piopio Seniors
lost to TKP Fun
Sticks 2-7
The player of the
day was
Nathan Dawson

Our school's property plan

One of the Boards roles is to approve a 10-year property plan for the school based on a Ministry of Education assessment. Once approved this plan determines what the Ministry will provide funding for. This plan is then split into two five-year blocks. For our first five year block the priority is re-roofing the whole school (excluding the senior block as we have already done that) by 2026.

As some of you may be aware, the multi-purpose room is owned by our school, which means it does not receive funding for any maintenance or repairs by the Ministry. This means when any work is required, we must fund it ourselves.

The multipurpose room also needs a new roof. As you can imagine that is an expensive project, and one that we must complete as the space is well used by our school and the community.

The Board will look to re-roof the multipurpose room at the same time as the rest of the school, as there are cost savings doing it all at the same time. However as this is a costly project, we need to begin fundraising now to ensure we have secured all the funds before work starts.

All families will receive an Oxford Pie fundraiser form, this is our first fundraising activity as we work towards this project. In addition to fundraising, the Board will apply for grants and sponsorship to help cover this cost.

We hope you can enjoy some delicious pies this winter all while supporting our school.

Thanks in advance for your support!
