Last day of term
Fri 5th July

Tēnā Koutou,

I hope everyone enjoyed the long weekend and had time to spend some quality whānau time. I know the staff enjoyed the time to recharge batteries. Teachers are busy at the moment writing mid-year reports, which will come home on the last day of term. Learning conferences will be happening in early term 3. We will let you know the date and further details in the next couple of weeks.

The teacher's only day on Tuesday was an intensive learning session for teachers. The focus was on Assessment for Learning and our facilitator Anne Purves led us on ideas and thinking to support students to reflect on their learning. The practical strategies and key knowledge students needed to have to be reflective learners helped teachers to plan for implementing reflective practice in their classrooms. To end the day we drafted a student survey so we can compile data to understand what the students think about their classrooms, themselves as learners and how their teachers support their learning. It is planned the survey will be conducted early in term 3. The data gathered will assist teachers to help students be the best learners they can be.

Classes have been out around the school practising their orienteering skills. The ability to read maps and the exercise to complete the course is great learning. The team that will compete at Āria on Friday the 21st of June will be announced very soon.

On Wednesday night, Mrs Bryant and I attended the PTA meeting. We are very lucky to have such a dedicated team of parents who support the school with their fundraising efforts. The money raised helps with all the extras that we enjoy as a school. So far in 2024 the PTA has purchased additional kapa haka uniforms, musical resources, Mobilo play equipment, additional school shirts, new equipment for the senior playground- ropes and bark, outside bench seating and sports ribbons. They are also organising new sand for the sandpit and repairing the fence around the sandpit. I want to acknowledge and thank Jason Ballantyne for the work he does as the coordinator of the stock scheme and thank all the support from our community who graze and donate to the stock scheme. If you are new to Piopio Primary and think this is a way you could support our kura, we can put you in contact with Jason. Another way that the PTA raises money is through selling Piopio Primary umbrellas. If you are in need of a good quality umbrella on these wetter days, call into the school office and purchase one. I know the PTA are planning the very popular "Little Critters" fundraiser. Keep an eye out for details in the coming weeks and months. A heads up the date is Sunday September the 15th.

Our School website : www.piopiopriary.school.nz

This week we welcomed Lulu Hussey in her new role as teacher aide in the junior school. We are really excited to have Lulu at school every Tuesday to Friday. As you will see in the newsletter we have welcomed more new families to our kura this week. We now have 152 students at Piopio Primary. One of my highlights each day is being at the gate welcoming our tamariki to school. Their smiles and stories remind of what a special place school is.

On Wednesday, I had a rare afternoon without a meeting, so I was able to spend time out on the field to see sports practices. It is amazing to see how many of our tamariki are playing sports. The coaches are doing a great job teaching the tamariki new skills and building confidence. It was certainly a happy place to be.

There are a number of sporting events happening in the next couple of weeks. These include the KCRU 5's year 5 & 6 carnival and the Eddie Alcock Netball tournament. At times, due to the school finding out about an event and making sure we can participate the time frames can be tight. We know it is not easy to make time at short notice and really appreciate families understanding and making themselves available to support, so our tamariki can take part. I believe it is important for our rural school to have the opportunity to compete in sport competitions locally and in the wider region. This exposure teaches the tamariki many important life skills.

Sue Coyle
Tumuaki/Principal

The logo for Piopio Primary School features the word "PIPIO" in a bold, sans-serif font. The letter "I" is replaced by a stylized black bird silhouette. Below the word "PIPIO" is the text "PRIMARY SCHOOL" in a smaller, all-caps, sans-serif font.

COLLABORATORS!
What have we been up to?

We are spending time learning new vocabulary. What does it mean to collaborate, negotiate, and be team players? What skills do we need? Team work makes the Dream work!

The local pool needs you!

Our little pool committee is need of help. We are a small, committed group that is getting smaller by the day. We desperately need volunteers to step up and help with the running of this pool. A President is needed-pool knowledge helpful but not needed, just good organisation skills and the ability to delegate could be a strength. There are grants to apply for and funding needed to maintain and continue functioning. We need members to join and share the load now, reality

no committee, no pool!!!

Many hands spread the load, and we really need yours!!

Please contact Sheryl or Kimberley asap

STOCK SCHEME

Are you able to assist with the PTA Stock Scheme?

If you're interested and you haven't already, please contact Jason. He's aiming to have the grazers sorted over the next month.

This can be any of the following:

- Donation of a weaned calf
- Grazing (a donated calf or one of a line that fits with your system) until sale or slaughter
- Cull cow at the works

If you are interested, please contact:
Jason Ballantyne
